

Dear Partners I 'd like to share with you my favourite Xmas recipe. This one of the oldest and most beloved in the South of Italy.

As you probably know Italian cuisine is a regional one so apart from the well known "Panettone" that you might find even in your supermarkets we have a lot of extra recipes depending on the place where you live..

These are our "sweet fried rolls"

Ingredients for the dough:

flour, sugar, eggs, margarine, cinnamon. Knead using some white wine.

For the filling:

grape jam, dark chocolate, sugar, toasted almonds,, coffee.

Fry andYummy

The pictures I add are about my mum and her best friend making rolls like their grannies did in the past.
